## Camp Scholarship Application

Thank you for entrusting your children to our summer day camp program. This is an application to apply for relief from camp fees. All information shared on this form will be held in strict confidence. Please understand the number of families applying for relief has grown and the amount of money in the fund to distribute has decreased. Therefore it is necessary to pay a minimum of \$50.00 per camper with the understanding that there may not be enough funds to help you which will mean the remainder of the camp fees for your campers will be necessary for you to pay.

All camp fees must be paid prior to June 30, 2017.
