**GOT SNEAKERS?**

9th Grade Girl Scout Troop #24315 is collecting gently used or new adult sneakers. When you join our sneaker recycling community, you will be making a global impact AND you help troop earn money for every pair of sneakers you contribute.

Most people throw away their used sneakers every 125-200 days without ever thinking about recycling. Since sneakers are manufactured with materials that are not biodegradable, they remain in landfills or are incinerated, which leads to toxic chemicals in our air and soil.

The process of manufacturing sneakers produces large amounts of CO2 which contributes to the serious effects of climate change and global warming. Recycling and reusing sneakers keeps sneakers out of landfills, reduces the need for manufacturing new shoes and sneakers, and supports a growing circular economy.

The drop off bin for recycled sneakers will be in the Colony Office. Thank you!
